

# German Cross Border Law Firm of the Year

## NZP Nagy Law Firm

*NZP Nagy Law Firm, located in Nuremberg, Germany, provides legal assistance in the fields of both German and international corporate, commercial law and in the field of international arbitrations.*

*Acquisition International talks to Laszlo Nagy about their recent award German Cross Border Law Firm of the Year.*

Talking on advantages the firm has Mr Nagy commented: *"Our main advantage is our wide range of international know-how combined with a manageable firm size. Therefore we are able to quickly satisfy individual requests of our clients."*

*"Our attorneys also practice lifelong learning" he continued. "Therefore I have achieved the quality award of the German Federal Bar Association since our attorneys systematically develop their knowledge, inter alia, by participating in trainings for specialist attorneys, such as specialist attorney for corporate and commercial law and specialist attorney for international economic law".*

When asked about the client loyalty tested by the company's competitors Mr Nagy said: *"Outstanding quality is the best protection of our firm. As long as our clients keep getting the same high quality which they have been got used to, they also keep choosing our firm".*

*"Changes are entirely normal in our fields of activities as well. One can only anticipate that one will not survive if one is not able to adjust to the continuous changes. Precisely for this reason, we develop ourselves systematically."*

Some of the areas the company focuses on include:

- Drafting of contracts for both German and international business
- Shareholder disputes in Germany
- Company claims, claims for compensation in company law, representation out of court, in court proceedings, Germany- and Europe-wide
- Arbitration, both in Germany and internationally
- Trademark, copyright and competition law
- Company insolvency law, representation of creditors, representation in insolvency proceedings, restitution proceedings
- Hungary, local legal representation, commercial law
- Hungary, land plot transaction, successions and subsidiaries, also in the framework of foreign insolvency proceedings
- Representation of the Hungarian Economic Chamber in Germany
